Our Key Personnel

Nathan L Miller

Executive Director

ANZIIF (Fellow) CIP Dip F.S (Ins Brok); QPIB, B.Comm (Bus Law) Undergraduate

Nathan is the Executive Director of Assent Financial Services, he is the Responsible Manager on our Financial Services Licence and accountable for the overall service delivery to its clients.

From an insurance family he has grown up knowing the industry and for eleven years he has worked as an insurance broker. Nathan has extensive experience with a broad range of industries, the policies applicable within each industry and the types of claims made.

He specialises in Professional Risks in particular Directors and Officers Company Reimbursement cover where his legal training is of great value to his clients.

He practices in the Mining and Energy sectors where global expertise in risk placement is essential for client delivery.

Currently he studies business law which gives Nathan the ability to provide insight into company, contractual, tax, employment, property and tort laws.

Wayne R Miller

Executive Chairman

ANZIIF (Fellow), Qualified Practicing Insurance Broker, Dip Fin Serv (Ins. Brok).

Wayne has been an industry practitioner for 37 years during which time he has worked for insurers in senior roles as underwriting manager, claims manager and key executive roles.

Wayne's broking career at international broking firms included global placements in his specialty areas of corporate, mining and energy risks, before founding his own company ACI Broking which became a national company. He has also founded a Lloyds of London coverholder underwriting agency specialising in Professional Risks and Legal Expenses Insurance.

Wayne founded and publically listed Insured Group Limited in 2005 which had 17 subsidiary companies incorporating Insurance Broking, Underwriting Agency and Risk Management functions in Australia and New Zealand.

He served as Responsible Manager on 5 AFSLs and Managing Director of the public group and currently focusses his attention to the internal technical support, training and mentorship at Assent.
